I will reach out to Lance, it was a chamber bid. I will keep you posted.

You can check in with Bureau of Street Services and see if it isn't something they put up as part of their street furniture program. Lance Oshi handles that. Did the neighborhood council install it? Or a chamber/BID? It's important to find out who is responsible for the sign. If we were to remove it, we won't repair it or store it and once we dispose of it is is gone forever.

Hi Sarah, I am not sure if it's Sanitiaton that would help with something like this. But a sign fell on Corbin and Ventura Blvd. Is this something you'd an help with?

Hi Michael how are you doing? I hope you are staying safe. I'm coming to you for guidance on what to do about having the sign all the way. Aargh.
